The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Housing Authority of the City of Milwaukee's Public Safety Department Technology and Equipment for Crime Prevention Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Milwaukee located at 200 East Wells Street, Room 100, Milwaukee, WI 53202.

The funding would be used to procure and install updated technology and equipment including security cameras, alarm systems, access control systems, and such as public safety vehicles, lighting enhancements, and security fencing to enhance security at public housing properties through the City.

The project is an appropriate use of taxpayer funds because it would enhance crime prevention, improve timely incidence response by providing new tools and resources, and modernize equipment and infrastructure used to provide security at these facilities, protecting residents and property.

The project has a Federal nexus because the funding provided is for purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gwen Moore
MEMBER OF CONGRESS
