The Honorable Tom Cole  
Chairman  
House Appropriations Committee  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I request community project funding for the Communications Unit Public Safety Dispatch Consoles and Equipment Project. The entity to receive funding for this project is the City of West Allis' Police Department located at 11301 W. Lincoln Ave., West Allis WI 53227.

Funding would be used to purchase dispatch center consoles and other public safety equipment that are reaching the end of their useful life. Properly functioning public safety communications equipment is essential for the timely allocation of resources, the health and safety of our community, and first responders especially during emergent life-threatening incidents such as mass casualty events.

The project is an appropriate use of taxpayer funds because public safety communications equipment is essential to safeguard members of the community and first responders. This project will improve community and first responder safety by improving the ability of the City of West Allis and its' dispatchers and first responders in providing high quality services to those in immediate need of assistance, especially those involved in crisis situations.

This project has a Federal nexus because funding of this type is authorized in section 1701(b)(8) of the Omnibus Crime Control and safe Streets Act of 1968 (34 U.S.C. 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Gwen Moore  
MEMBER OF CONGRESS
