The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Milwaukee Public Schools Success Center project in fiscal year 2024. The entity to receive funding for this project is Milwaukee Public Schools, located at 5225 W. Vliet Street, Milwaukee, 53208.

The funding would be used expand MPS's Success Center to include students in grades K4-12 and to replicating at a second facility that can offer the space necessary to accommodate more students and staff.

The project is an appropriate use of taxpayer funds because it is aimed at supporting students and their families to enable them to successful complete their K-12 education. As a research-informed initiative, the program relies on a comprehensive, multi-disciplinary approach that includes providing clinical mental health services and educational interventions to help schools and students thrive. Expanding the program will be a good use of taxpayer funding as it will help better support the social, emotional, mental, and physical health so each student can thrive academically and reach their full potential, including being prepared to enter the workforce.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely
