Congress of the United States
House of Representatives

April 27, 2022

The Honorable Rosa DeLauro
Chair
House Appropriations Committee
Washington, DC 20515

The Honorable Kay Granger
Ranking Member
House Appropriations Committee
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Ten Mile Park project in fiscal year 2023. The entity to receive funding for this project is the Village of Brown Deer, WI located at 4800 West Green Brook Drive, Brown Deer WI 53223.

The funding would be used for an economic development project that will revitalize a narrow 1-acre piece of property that is a blighted former lumber storage yard and transform the space into a vibrant new park that would serve as an attraction. The design call for new public art, restrooms, public information kiosks, and recreational amenities that do not currently exist. The park plan also links with the Oak Leaf bike trail that passes the site and will serve as a trail head for this multi-county, multi-jurisdictional trail providing additional recreational opportunities for residents and visitors.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Gwen Moore
Member of Congress
