The Honorable Sam Graves  
Ranking Member  
House Transportation and Infrastructure Committee  
Washington, DC 20515

Dear Chair DeFazio and Ranking Member Graves,

As you work to develop and advance surface transportation authorization legislation, I submit a project request to provide \$2.5 million for the Milwaukee County Department of Transportation's Transit System (MCTS) to undertake a safety and security initiative to expand critical transit security equipment to protect assets, employees, and passengers.

Funds would be used to purchase video surveillance systems to increase safety for passengers and bus operators, shields to protect bus operators from unruly passengers, silent alarms to record incidents and to help dispatchers focus on a bus operator that is potentially in danger, and to secure CCTV Upgrades for 3 MCTS facilities.

By ensuring MCTS employees, operators, passengers, and facilities and assets are safe and secure, the community and taxpayers all benefit by preventing loss or incidents that could impact life safety or could result in a large financial loss.

I certify that neither I nor my immediate family has a financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Gwen Moore".
