Congress of the United States
House of Representatives

March 31, 2023

The Honorable Kay Granger
Chair
House Appropriations Committee
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Training Workforce for Infrastructure Construction and Engineering (TWICE) project in fiscal year 2024. The entity to receive funding for this project is Marquette University, located at 1250 West Wisconsin Avenue, Suite 256, Milwaukee, WI 53233.

The funding would be used to support critical workforce development training and education activities, including the development of new workforce training facilities. The project is an appropriate use of taxpayer funds because in Wisconsin and much of our country, much of the infrastructure requires more capacity, maintenance, repair, and replacement or is reaching the end of its lifespan and a shortage of a skilled workforce in the engineering design and construction industries will hinder our ability to address those infrastructure needs which are vital to our nation's economic competitiveness unless address.

The project has a Federal nexus because the funding provided is for purposes authorized pursuant to 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gwen Moore
Member of Congress
