Congress of the United States
House of Representatives
March 24, 2023

The Honorable Kay Granger
Chair
House Appropriations Committee
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

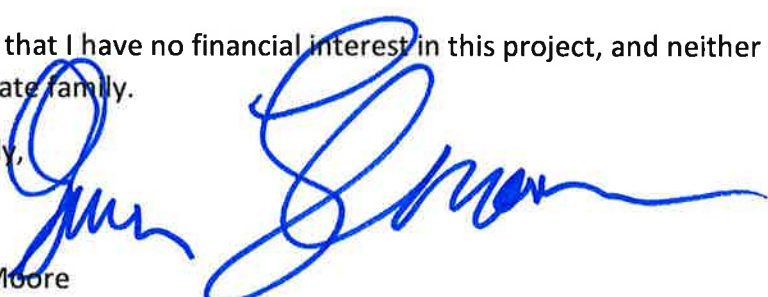

I am requesting community project funding for Lead Service Line Replacement in fiscal year 2024. The entity to receive funding for this project is the Village of Shorewood, located at 3930 N Murray Avenue, Shorewood, WI 53211

The funding would be used for a project to safeguard drinking water quality. This is an appropriate use of taxpayer funds because it helps remove lead pipes to deal with a significant public health threat while upgrading necessary drinking water infrastructure.

The project has a federal nexus because the funding provided for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gwen Moore
Member of Congress
